

SERVANT LEADERSHIP MINISTRIES

Teaching Servant Leadership to Leaders around the world!
 Spring/Fall 2023 A 501 (c)(3) non-profit corporation Volume XXXII

The previous Issue (Vol. XXXI) updated us on the past missing newsletters, focus on the 2020–21, with our face-to-face seminars in February 2020—India, Nepal, & Bhutan. As we returned to our various homes, the Covid-19 lockdowns began to take effect.

During the remainder of 2020 and 2021, SLM held several virtual conferences in Asia, Africa, and South America.

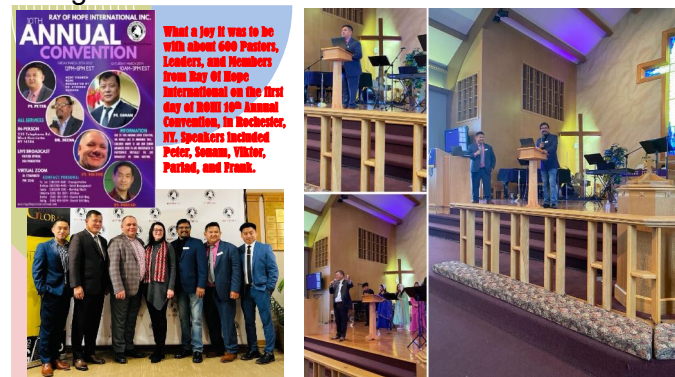

2021 ended in a sad way. Several Pastors and Leaders passed away, especially in India. Our own SLM Founder & President Emeritus, Dr. John McGeorge passed away in December after several years of ill health. SLM Global was saddened to announce that on December 27, 2021, peacefully, our Brother Dr. John McGeorge (founder of MTEE & SLM and President Emeritus of SLM) went to Heaven to be with our Lord. His obituary is on Frank's Facebook (<https://www.facebook.com/frank.deena/>). "The Board, Coordinators, and Members expressed our condolences to his spouse, Valerija, daughters, Hanna & Sara, grandchildren and his entire family." Dr. John McGeorge was honored in a celebration of life ceremony on Saturday, January 8th, 2022, at New Kent Christian Center, New Kent, VA.

On Sunday, February 2022, our precious Brother Teen Rawls, his son Jeffrey, and all in the plane died

when the plane plunged into the sea off the NC Coast. Teen was a supporter of SLM—especially buffaloes for the Pastors in India. A Memorial Service was held at Reimage Church in Winterville, NC. In both services Dr. John Daigle (President of MTEE) & Dr. Frank Deena (President of SLM) spoke.

During all the darkness in the world, it was a bright light to have prayer & lunch with friends from the Guyana Friendship Forum (GFF) in Clayton, NC on Feb. 26, 2022. Celebrating health and healing. In April 2022, Drs. Frank & Deborah Deena ministered in Guyana, South America with Leaders, and Believers. We also ministered practically to several Pastors in great need.

It is/was a divinely orchestrated trip to Belize. I have been going to Belize since 1996 mainly for academics through the MOU between East Carolina University (ECU) and the University of Belize (UB)—Summer Study Abroad, Student Exchange, Scholarships, Caribbean Studies Forum (CSF) Conferences, etc. A new day/phase has dawned mainly through Servant Leaders like Steven & Sarita Lewis. This trip had three purposes: 1. To celebrate with Steven & Sarita as they dedicated the building for their ministry—The Water Fountain: Christian Resource Center, 2. To plan for a medical and dental missions trip, and 3. To launch SLMG (<http://www.slmglobal.net/>) with seminars in Belize City and in Belmopan. Thanks to God, Steven & Sarita Lewis, Karen, my wife Debbie, Dr. Gail Stathis, Dr. Brian van Deventer, Dr. Frank Angus, Apostle Malcolm Sobers, the Belize Core Pastors

Preaching @ South Road Full Gospel Church, Sunday, June 11, 2023, 7 AM & 11 AM

Women's Conference, Guyana, April 8, 2023
South Road Full Gospel Women's Ministry & Courageous Daughters of Deborah Global Ministry where the organization/committee in charge of the conference. The theme employed in the conference was Emerge, Arise & Transform. There were 212 attendees at the conference. Main Speakers were Pastor Pauline Claxton and Dr. Deborah Deena. The workshops

were Women’s Health & Wellness – Dr. Serena Altenor, Minister Pauline Claxton, & Dr. Deborah Deena, Maximizing Your Career Potential – Mrs. Shellon McGown, Ministry and Mentoring - Pastor Dianne Baxter & Finance and Wealth Creation by Karen Raphael. We believe God’s will was accomplished and His Kingdom came. There was deliverance for many women in different area: Demonic spirit cast out. Unforgiveness forgiven.

Women facing their issues that have been locked away for years. Example, a woman who was raped at the age of 15 and raped continuously every weekend by a man that her parents agreed for her to marry, but the guy had no intention of marrying her.
